4. DEFINITION OF THE TERM "GROSS INCOME"

"Gross Income" means the gross receipts of the taxpayer derived from trade, business, commerce or sales and the value preceeding or accruing from the sale of tangible property (real or personal) or service, or both, and all receipts by reason of the investment of the capital of the business, engaged in, including interest, discount, rentals, royalties, fees or other emoluments however designated and without any deductions on account of the cost of property sold, the cost of materials used, labor costs, taxes, royalties, interest or discount paid or any other expense whatsoever.

If the space on this return is insufficient to enter all proper items or notations, separate sheets containing the necessary information should be attached: when so attached, they become a part of this return.

Only one annual exemption of \$10.00 may be claimed by taxpayer regardless of the fact that he may have two or more separate places of business. The entire \$10.00 exemption may be claimed only if business has been carried on actively for the whole year. If a business is operated for a part of a tax year, the exemption is reduced in proportion (\$2.50 for a quarter, .883 cents for a month, or .0277 cents a day for the period actually engaged in business.)

At any time a taxpayer sells or discontinues a business, a final return must be filed within 30 days after sale or discontinuance. The return must show the date of sale and the name and address of the purchaser.
